

PROFILE

Trade-qualified carpenter and builder with **29 years in the construction industry**, including 18 years running his own businesses. Experienced across the full scope of domestic construction — new homes, extensions, renovations, decks, pergolas and shop fitting — and, since 2019, delivering **end-to-end insurance claim repairs** (carpentry, plastering, tiling, painting and flooring) for insurance builders. A proven leader who has trained 4 apprentices, employed 5 full-time staff and managed many subcontractors, with supervisory experience running multiple sites concurrently. Also operates a small earthworks business with current excavator and skid steer tickets.

KEY COMPETENCIES

- **Domestic carpentry** — new homes, extensions & renovations
- **Insurance claim repairs** — scoped & delivered end to end
- **Multi-trade finishing** — plastering, tiling, painting, flooring
- **Outdoor structures** — decks, pergolas & shop fitting
- **Site supervision** — trades coordination & quality control
- **Team leadership** — apprentices, staff & subcontractors
- **Business management** — quoting, scheduling & client liaison
- **Plant operation** — excavator, skid steer & EWP (ticketed)

WORK HISTORY

2019-NOW

Founder & Director — Insurance Repair Business · Self-employed

Insurance claim repairs for insurance builders, delivered end to end: carpentry, plastering, tiling, painting and flooring. Responsible for scoping, scheduling, trades and handover.

2021-NOW

Owner-Operator — Earthworks Business · Self-employed

Small earthworks operation run alongside the repair business — excavator and skid steer work including site cuts, trenching, levelling and clean-ups.

2008-2019

Founder & Director — Carpentry Business · Self-employed

Built and ran a domestic carpentry company for 11 years covering all aspects of the trade: new homes, extensions, renovations, decks, pergolas and shop fitting. Trained apprentices and employed a full-time crew.

2006-2008

Building Supervisor · BDN Homes

Supervised residential builds — coordinating trades and subcontractors, managing schedules and maintaining quality control across multiple sites concurrently.

2001-2006

Carpenter · Victorian Homes

Residential carpentry on new home builds — framing through to fix-out on high-volume sites.

1997-2001

Carpentry Apprenticeship · Trade qualified

Completed a four-year carpentry apprenticeship.
